MGA-0420

**Directions to the Massachusetts  
Medical Society's Headquarters:**

860 Winter Street  
Waltham Woods Corporate Center  
Waltham, MA 02451-1411  
(800) 322-2303

**From Boston**

Travel west on the Massachusetts Turnpike/I-90 to Exit 15. Keep right beyond the tollbooth and follow the signs for I-95/128 North. Follow 95/128 North for approximately two miles to Exit 27A-27B (Winter Street). Off exit ramp, keep right and go over 128 and follow Winter Street for approximately one mile. You'll pass the reservoir on your right, and the road will curve sharply to the right. Immediately after the curve, you'll see the Waltham Woods sign on the left. See below for further directions.

**From Points West**

Travel east on the Massachusetts Turnpike/I-90 to Exit 14. Keep left beyond the tollbooth and follow the signs for I-95/128 North. Follow 95/128 North for approximately two miles to Exit 27A-27B (Winter Street). Off exit ramp, keep right and go over 128 and follow Winter Street for approximately one mile. You'll pass the reservoir on your right, and the road will curve sharply to the right. Immediately after the curve, you'll see the Waltham Woods sign on the left. See below for further directions.

**From Points North**

Travel south on Route 128/I-95 to Exit 27B (Winter Street). Off exit ramp, keep right and follow Winter Street for approximately one mile. You'll pass the reservoir on your right, and the road will curve sharply to the right. Immediately after the curve, you'll see the Waltham Woods sign on the left. See below for further directions.

**From Points South**

Travel north on Route 128/I-95 to Exit 27A-27B (Winter Street). Off exit ramp, keep right and go over 128 and follow Winter Street for approximately one mile. You'll pass the reservoir on your right, and the road will curve sharply to the right. Immediately after the curve, you'll see the Waltham Woods sign on the left. See below for further directions.

**At Waltham Woods**

Take a left at the Waltham Woods sign on Winter Street, and follow the road up the hill (approximately one-third mile). MMS Headquarters will be directly in front of you. (Note that parking and the main entrance are at the back of the building.)

MGA ANNUAL MEETING — APRIL 4, 2020

# DIAGNOSIS AND MANAGEMENT OF PANCREATIC CYSTS AND HEPATIC LESIONS

## Program Description

The MGA Endoscopic Education Program Committee has been formed with the mission of providing practical, evidence-based lectures and seminars to practicing gastroenterologists and GI fellows in New England who may not have the opportunity to attend more distant and extended national conferences. This lecture series covers a broad range of topics in endoscopy, hepatology, and gastroenterology.

This seventh annual post-graduate course will provide a modern update on the diagnosis and management of pancreatic cysts and incidental and symptomatic hepatic lesions with a clinical focus.

## Program Objectives

As a result of participating in this program, learners should be able to:

- Recognize the need for surveillance of mucinous pancreatic cyst and utilize current guidelines to choose the correct modality and interval of surveillance
- Identify the imaging characteristics of hepatic lesions that require follow-up
- Recognize the features of hepatic and pancreatic lesions that warrant surgical consultation

Massachusetts Gastroenterology Association (MGA) in joint providership with the Massachusetts Medical Society presents:

## ANNUAL MEETING DIAGNOSIS AND MANAGEMENT OF PANCREATIC CYSTS AND HEPATIC LESIONS

Saturday, April 4, 2020, 7:30 a.m.–12:00 p.m.

Massachusetts Medical Society Headquarters  
860 Winter Street, Waltham, Massachusetts

<b>7:30 a.m.</b>	<i>Registration, Exhibits, and Continental Breakfast</i>
